

Dear Parents,

State law requires all public schools to provide any materials necessary for instruction. We will certainly be sure that all students have what they need to succeed in the fall. Having said that, back to school shopping can be a very exciting time for parents and children. Children have a chance to pick the items that will like to use for homework and in class. The lists that follow are not required, but rather requested. Have a wonderful summer full of adventure and fun!

Bob Sherman
Principal
