About Regnart PTA Direct Donation

Regnart PTA supports an enriched educational experience for our children by funding important programs beyond the core offering provided by the state. The PTA funds the Arts, Physical Education, the Library, and the Computer Lab at Regnart including this staff and other classroom instructional aides.

Our primary PTA fundraising program is a Direct Donation appeal to all Regnart families. **This year, the PTA is recommending a donation of \$200 per student for the year.** Direct Donation is a particularly efficient fundraiser since every dollar you donate benefits your children directly – none of your dollars are wasted on wrapping paper that you don't want. Regnart PTA is a registered 501(c)(3) non-profit organization and your Direct Donation is tax-deductible.

In addition to paying for instructional aides and programs that directly benefit your children, the PTA also supports ongoing technology upgrades at school and popular community-building events including Festivals and Family Fun events.

We also strongly encourage you to investigate employer matching programs at your workplace, which can double the benefit of your donation. Last year, Regnart received nearly \$10,000 in corporate match programs from Applied Materials, Cadence, eBay, Google, Intel, Intuit, Microsoft, Oracle, Sun, Yahoo! and many others. Please enclose your matching funds forms with your donation. You can contact PTA Treasurer, Kathy Lee (RegnartPTA.Treasurer@gmail.com) for specific information on match programs.

Thank you in advance for your donation. Without your financial support, these programs would not be possible. In these challenging times, your participation has never been more important in helping to maintain Regnart's great educational program.

If you have general questions about Regnart PTA Direct Donation, please write to the Membership Committee at Regnart.Membership@gmail.com.
