1235 * Flight Around the Bay

Donated by Don Durston

Enjoy a day or night 1-hour private airplane flight around the Bay Area, maybe even over your house! You pick the departure time and the route-and bring 1 or 2 family members or friends with you to share in the experience. If you've never seen the Bay Area from the unique perspective of a small plane, you are in for a treat! Everybody gets a window seat in this four-seat Cessna 182, and you get spectacular close-up views of your favorite Bay Area landscapes. Be sure to bring your camera and video camera for a memorable experience. Your flight will be piloted by Don Durston (husband of teacher Sherrie Tanner-Durston), an instrument-rated commercial pilot who has been flying for more than 30 years, and works as an aeronautical engineer for NASA. Don't miss this opportunity!
